- Liberty Hotel

Upper Area (near the Department)

Accommodation options in this area are mainly B&Bs and guesthouses.
Suggested option:

- Etna Hills

Additional options can be found on platforms such as Booking.com.

Getting to the Department (DMI) from the City Center

The Department is located inside the *Cittadella Universitaria*, in the upper part of Catania.

By bus (AMT Catania):

- **BRT1** – Rapid Bus Line connecting the city center to the *Cittadella*
- **442** – Connects several central and northern neighborhoods
- **901** – Starts from *Piazza Repubblica*, passes through *Via Etnea* (including *Piazza Stesicoro*), then follows a route similar to the BRT1 and stops at the INFN entrance (same *Cittadella* access point as BRT1)
- **556** – Passes by the train station and *Piazza Stesicoro*, then stops near the Engineering entrance from *Viale Andrea Doria*

Bus tickets cost **€1.40** and can be purchased at any *tabacchi* (tobacconist).

By metro + BRT1 (summer service update):

- Take the **metro** and get off at **Milo** station
- During the summer period, the **Metro Shuttle** service is replaced by the **BRT1** bus line, which now includes a stop at **Milo metro station** before continuing to the *Cittadella Universitaria*, with a stop directly in front of the Department

Getting to the City Center from the Department (DMI)

- Take the **metro** at **Milo** station (15 minutes on foot) and get off at **Stesicoro** station (City Center)
- Go to **Via Etnea 595 - bus stop** (13 minutes on foot) and take any bus (BRT1, 442, 556, 744, 901, 929…), that gets off. From there, **all AMTS lines travel along Via Etnea to Piazza Stesicoro.**

Getting from the Airport to the City Center (and vice versa)

- The bus line that connects the airport to the city center and vice versa is the **Alibus** shuttle (ticket 4 €, which can be purchased directly on board).

By taxi:

A convenient and flexible option from any part of the city.

On foot:

Walking is possible from some central areas, but please note that the route is uphill and may be challenging in the summer heat.
